NEW YORK STATE OFFICE FOR THE AGING LOCAL OFFICES FOR THE AGING

HOW TO USE THIS LIST

1. This document is meant to be used in those situations where the resident of an adult home or residence has received the mandatory notice of termination of the Admission Agreement. Should the resident choose to protest that notice, he or she must be given a chance to secure legal and advocacy services (S.S. Law, Section 461-g.2, and S.S. Regulations Section 487.3 (d)(4), 487.5(f)(5), 488.5(e)(7), and 490.5(f)(7)). This book is designed to implement those provisions of law and regulation by listing those persons and organizations which have indicated that they may be able to assist the resident.
2. Residents who receive the above mentioned notice must be given a copy of the list of legal and advocacy services for the county in which the home or residence is located and all contiguous counties.
3. In the back of this document are several pages which can be torn out and sent to the Division of Adult Care Facility/Assisted Living Surveillance. The purpose of these pages is to help the Department update this document. Should you find a person or organization which you think should be included in this listing, please let us know by tearing out one of these sheets, filling it out and sending it to:

**N.Y.S. Department of Health
Division of Adult Care Facility/Assisted Living Surveillance
875 Central Avenue
Albany, New York 12206**

4. Conversely, should you find that an organization or person has gone out of business, no longer provides the type of legal and advocacy services needed by residents of an adult home or residence, or has simply changed their address or phone number, please let us know in the same manner as above.
5. This list is set up by regions (Long Island/Metropolitan, Capital District, Central New York and Western New York Regional Offices), with counties listed alphabetically within each region. For each county, is a list of those organizations and persons who have indicated that they are prepared to offer legal and advocacy services to our adult home/residence population.
6. Please note that, while we have worked with some diligence on this document, we do not claim it is exhaustive. That is why we included the pages for additions and deletions.
