Dear Medical Provider:

The New York State Department of Health is pleased to announce the stakeholder meetings for medical providers on Long Island. These meetings will introduce the Department's transportation broker, Medical Answering Services (MAS) to Long Island stakeholders. Meetings will be held in person or via webinar, on Wednesday, November 15th and Thursday, November 16th.

The Department oversees the administration of Medicaid transportation and works closely with its contracted transportation broker, MAS, to ensure quality services are provided to Medicaid enrollees. Regular communication with and feedback from stakeholders are important tools that assist in evaluating the quality of Medicaid transportation services. The Department cordially invites all medical providers to participate in one of the following meetings.
