WHY APPLY?

LeadingAge New York IGNITE Leadership Academy arose from members' experience with the national program and the realization that discussion and learning is also needed at the state level.

The Leadership Academy gives the power to lead in confidence and master your craft. It's been a great time, with great people.

What an awesome and outstanding program. It has challenged me in several ways. I'm learning to be transparent.

The sessions helped me to see the value in negative perspectives and allowed me to interact with staff who have different viewpoints from my own.

Truly a heart warming experience in better understanding yourself, the dynamics of a team and how to make a difference.

I appreciate LeadingAge New York for this program because it is a great way to learn skills and have time to focus on us as leaders.

This experience helped me recognize the importance of having diverse points of view and different work styles on a team.

The Academy has been truly transformative not only professionally, but personally. Thank you!

Whether you are a novice or seasoned professional you will undoubtedly grow or be stretched in new ways.

Leadership Academy has given me the opportunity to develop truly rich relationships that I wasn't expecting. The Coaches and Leaders have touched my heart and I'm so grateful!

The Leadership Academy has provided me great skills and knowledge that I will use in my professional and personal life. It gave me a chance to reflect upon my current leadership skills and find where my true self and style lies. It was an experience I will never forget.

The opportunity to visit innovative communities across New York State was made possible to me by this program. I'm so grateful to my company for the investment and the opportunity. I highly recommend it to anyone looking to grow personally and professionally.

The Ignite Leadership Academy is an amazing experience! Networking, learning, socializing with peers – it has everything I need to become introspective and a better leader. The instructors are fabulous and the content is specific to insuring that each participant gets the most benefit.

Application Deadline June 9, 2023

LeadingAge New York seeks inclusive participation within the field of aging services, representative of its diverse workforce. Any individual who works for a LeadingAge NY provider member organization is eligible to apply, irrespective of professional experience, type or level of position. It is far more important for an applicant to demonstrate deep leadership potential within their organization than it is for them to have a specific job title or tenure in the field. In addition, we strive for an exceptionally diverse cohort of fellows with a variety of backgrounds and perspectives, including but not limited to age, gender, race, ethnic, religious and geographic diversity. This focus on diversity creates a richer learning experience throughout the program year, helping to fuel leadership development and personal growth.

Tuition

A \$2,500 tuition payment *(non-refundable and non-transferable) is required from each New York Fellow's organization. In addition, lodging and travel expenses are also paid by each Fellow's organization (the costs incurred vary depending on the locations of the site visits). Some meals are provided during the sessions at no additional cost. Registration for the 2024 LeadingAge New York Annual Conference and Exposition is included as part of the tuition. Graduation will be held at the conference.

Fellows are required to attend **all** in-person sessions. Please note, access to cell phones and other communication devices will be limited to break periods.

The Fellows should plan on spending up to 10 hours a month working on Academy activities.

Fellows will need access to a personal computer for regular email contacts with their coaches and team members.

Fellows must remain actively employed by a LeadingAge New York organization during the Academy program year in order to remain eligible for participation. Each applicant slot is non-transferable and tuition is non-refundable unless an alternate arrangement is agreed to by all parties.
