## **Schedule II-V Medications for Nursing Home Residents**

ABSTRACT: AAHSA seeks member input on prescribing practices.

The Quality Care Coalition for Patients in Pain (QCCPP), of which AAHSA is a member, is seeking data on the effect of recent enforcement efforts by the Drug Enforcement Agency (DEA) regarding prescriptions for pain medication and other Schedule II-V medications. QCCPP is asking nursing facilities to complete a short survey on the subject. The results of the survey will be used in the coalition's advocacy efforts. The survey is available at:
