Surveyor Guidance on Quality of Life

ABSTRACT: CMS provides training slides on quality of life guidance changes.

On April 10, 2009 the Centers for Medicare and Medicaid Services issued revisions to the *Interpretive Guidance to Surveyors* outlining changes to multiple F-Tags under the Quality of Life requirements. Click [here](#) for *S&C 09-13*. CMS on April 20, 2009, issued a PowerPoint presentation that will be utilized to train surveyors on the new guidance. A copy of the presentation is included below.
