The UAS-NY Test Drive Environment is the version of the UAS-NY that houses sample data and which is utilized as a practice environment.

This UAS-NY Test Drive Environment will be down for maintenance tomorrow on Friday, January 22, 2021 starting at 9:00 AM. We apologize for any inconvenience this may cause. The Test Drive Environment will be made available no later than Friday, January 22 at 1:00 PM (it may be available sooner).
