

NH Rate Webinar Posted On-Line

An archived copy of the Webinar, "Implementation of Nursing Home Rebased, Statewide Pricing, and Other 2011-12 Budget Actions", held by DOH on May 26th has been posted to NYAHSAs Web site and can be accessed by clicking on the "Webinar" attachment link below. The Webinar is approximately one hour long and is narrated by DOH staff with power point slide visuals. It opens as a video file in Windows Media Player and similar programs. The power point presentation without audio is also posted and accessible using the "Slides Only" link below.

While there was no opportunity for viewers to ask questions during the presentation, DOH has requested that providers submit questions they may have by e-mail to nfrates@health.state.ny.us and entering "May 26th Webinar-" and the facility name in the subject line.

DOH has pledged to hold another Webinar shortly after rate sheets are issued.
