

## **Homes notified about disadvantaged facility funding**

Many providers have received a letter by mail from DOH notifying them that rate code 3837 has been added to their provider file. This code is related to financially disadvantaged facility funding which homes claim by rebilling a certain month using the provided rate code. It appears that homes will rebill their Jan. 2012 Medicaid days but the instructions are vague. Some homes have received a sheet showing \$0 amounts. We are seeking additional information from DOH and will provide it to member CFOs.
