Acting Commissioner

SALLY DRESLIN, M.S., R.N.
Executive Deputy Commissioner

Dear Administrator:

This letter is to inform you of an adjustment to the cash receipts per diem reimbursed to your facility. The adjustment corrects an administrative oversight which occurred with the processing of the 2012 Cash Receipts (DAL dated March 3, 2015). This adjustment will impact the Cash Receipts Assessment (CRA) per diem for 2013, 2014 and 2015.

With the processing of the 2012 CRA, the revised CRA per diem rolled forward from 2012 through 2015 for some facilities. This has, in some cases, resulted in a subsequent recoupments. The eMedNY system has been updated to restore the previous CRA per diem for 2013 through 2015.

The Department will be processing the 2013 Cash Receipts reconciliation in the coming weeks. Please be advised that for most facilities 2010 is the current base used to estimate Cash Receipts; in an effort to provide a more accurate estimate of the appropriate CRA per diem on an ongoing basis the Department will substitute the 2013 CRA per diem for 2010 beginning with the 2016 rates. This will adjust the CRA base to more appropriately reflect facility revenues under the Pricing methodology.

If you have any questions please send an email to nfrates@health.ny.gov and put 2012 CRA on the subject line.

Sincerely,

Steven M. Simmons
