

Capital Rate Sheets Posted

Last week DOH posted preliminary nursing home and Adult Day Health Care (ADHC) 2013 capital rate sheets on the Health Commerce System (HCS). Only the capital component is updated – the operating component is the same as in the 1/1/2012 rates. Capital rates for homes that file the RHCF-2 cost report are still being finalized so their posted sheets will still reflect 2012 capital. These preliminary capital rates are not appealable but please notify DOH by email to NFRATES@health.sts.ny.us if you note any errors.

To access the rates, log onto the [Health Commerce System](#), select "NH Rate Sheets 4/2009-Forward" under "Applications", then select "2013 NURSING HOME NOTICE RATES Jan 1" in the drop-down list under "Nursing Home Rates Selection List". Choose your facility using the drop-down list under "Nursing Home Selection List" and then select "SHOW REPORTS."
