Home Health Provisions in Health Care Reform Bill

ABSTRACT: Impacts include rural add on and MBI increase.

AAHSA has provided NYAHS a list of health care reform impacts for home health, adult day and hospice providers. Noteworthy impacts include:

- 2.2% market basket increase in 2010;
- 3% add on for rural home health providers;
- Development of a value-based purchasing system;
- CLASS provision that establishes a national insurance trust; and
- Independence at Home demonstration and Community-First Choice option.

To see the complete list of impacts, see the attachment provided at the bottom of your screen.
