ABSTRACT: Proposed revisions to regulations affect home care providers.

The September 30<sup>th</sup> *NYS Register* contains proposed changes to the CHRC regulations that would affect the supervision requirements for home care providers. For the purposes of CHRC supervision, direct on-site visits by a licensed health care professional, senior aide or other paraprofessional who meets the one year requirement of employment in home care would be allowed. A copy of the *Emergency Rule* re-implementing the existing regulations and the *Revised Proposed Rule*, which has a 30-day comment period, can be found on pages 32 through 39 of the following link:
