DOH Issues Alert on Electronic Submission of Fingerprints

ABSTRACT: CHRC mandates electronic submission of form 103-E.

Effective July 15, 2008, all Criminal History Record Check (CHRC) fingerprint requests must be submitted using the 103-E (electronic) form. The use of the electronic form will streamline the application process resulting in quicker responses and preventing unnecessary payments for individuals who have previously had their fingerprints checked.

The CHRC alert is available on the CHRC page of the Health Provider Network.
