

DOH issues *Hurricane Irene Medicaid Payment Scenarios* chart

For providers impacted by recent weather related emergencies, the Department of Health (DOH) has just released a chart entitled [\*Hurricane Irene Medicaid Payment Scenarios\*](#) to augment the information previously released in their [\*September 28 Dear Provider Letter\*](#). For member convenience, these documents are available on our Web site by clicking on these links. This latest information was just received by LeadingAgeNY and we are in the process of reviewing and we are interested in receiving any member feedback.
