MDS 3.0 Update

CMS releases important updates to the MDS 3.0 training manual.

CMS has updated their MDS 3.0 training Web site with the following information:

MDS 3.0 Training Information for the October 1, 2010 Implementation

What's New:

May 25, 2010: Under the Downloads section of this page the following revised training materials are now available:

- *MDS 3.0 RAI Manual V1.02 May 25, 2010 - contains revised versions of the following sections of the RAI Manual: Chapter 3, Sections I, L, N, and P*
- *MDS 3.0 Training Slides V1.00 May 25, 2010 - contains MDS 3.0 PowerPoint Training Slides to facilitate MDS 3.0 training. Chapter 3, Sections I, L, N, and P are included in this posting.*
- *MDS 3.0 Instructor Guides V1.00 May 25, 2010 - contains MDS 3.0 Instructor Guides to facilitate MDS 3.0 training. Chapter 3, Sections I, L, N, and P are included in this posting.*

These files will be updated frequently and each update to files will reflect the date the file was last updated. Listserv notices will be sent via the SNF/LTC Open Door Forum listserv when updates are made to this page.
