DATE: April 1, 2010

SUBJECT: Medicaid Eligibility Determinations

ROUTE TO: Administrator, CFO

**URGENT DATA
REQUEST –
RESPONSE DUE BY
April 16TH!**

ABSTRACT: NYAHS seeks member feedback on Medicaid eligibility processing.

NYAHS and NYSHFA are continuing to work together in an effort to deal with ongoing problems surrounding Medicaid eligibility determinations.

We are conducting another follow-up survey in anticipation of additional meetings with the Department of Health (DOH). NYAHS is asking members to update the same very short data request with respect to your organization's current outstanding Medicaid pending accounts receivable (A/R). The survey asks you to enter your facility's/agency's Medicaid pending A/R dollars as of February 28, 2010 (as well as your total overall A/R dollars). The data requested will greatly assist us as we continue to address this critical cash flow issue with DOH. **We ask that you take a few moments to submit the requested data no later than April 16, 2010.**
