## **Criminal History Record Check Regulations Published**

ABSTRACT: Minor revisions to CHRC requirements proposed.

Minor revisions to the Criminal History Record Check (CHRC) regulations were published in the *NYS Register* on September 3, 2008. The changes under 10 NYCRR Section 402.4(a)(1) and (a)(2) involve the number of CHRC Authorized Persons (APs) that a provider should designate. The change removes the reference to the specific number of two APs that a provider can designate. Nursing homes and home care agencies are still expected to designate more than one AP and there are no other changes to the current CHRC process. The full text of the regulations begins on page 4 of the following link: <http://www.dos.state.ny.us/info/register/2008/sept3/pdfs/rulemaking.pdf>
