ABSTRACT: HHS issues guide for community and faith-based organizations.

The H1N1 Flu: A Guide for Community and Faith-based Organizations was developed by the U.S. Department of Health and Human Services' Center for Faith-Based and Neighborhood Partnerships with support from the Centers for Disease Control. Its primary focus is on the role of community and faith-based leaders and organizations as partners in 2009-2010 flu response and prevention. The guide is available at:
