Dear Administrator,

This letter provides information regarding your Cash Receipts Assessment (CRA) reimbursement rates effective January 1, 2023.

In accordance with §2807-d(2)(b) of the Public Health Law, a separate rate is associated with the CRA. These rates have been reconciled with actual liabilities. The processing for these CRA rates will take effect in **cycle 2503**, with a check release date of 8/27/2025.

Facilities have 30 days from the date of this letter to submit appeals. Any appeals to these rates must be the result of technical errors in the calculation and/or implementation of the cash receipts assessment rate (see attached for CRA correction form).

If you have any questions, or need to submit the attached correction form, please send an email to NFRATES@health.ny.gov and we will respond to your inquiry.

Sincerely,

A handwritten signature in black ink that reads "Laura Rosenthal".
