Dear Administrator:

This letter provides information regarding your Cash Receipts Assessment (CRA) reimbursement rates effective January 1, 2022.

In accordance with §2807-d(2)(b) of the Public Health Law, a separate rate is available to reimburse your facility for the cash receipts assessment program.

The rates have been updated for 101 facilities for whom incomplete data was inadvertently used in the original CY 2022 CRA rate reconciliation that went into effect in cycle 2429. These rates have been reconciled and updated utilizing the actual assessment liability. The impacted facilities are listed below. The processing for these CRA rates will take effect in cycle 2451, with a check release date of 8/28/24.

Facilities have 30 days from the date of this letter to submit appeals. Any appeals to these rates must be the result of technical errors in the calculation and/or implementation of the cash receipts assessment rate (see attached for CRA correction form).

If you have any questions, or need to submit the attached correction form, please send an email to NFRATES@health.ny.gov and we will respond to your inquiry.

Sincerely,

Laura Rosenthal, Director
Bureau of Nursing Home and Long-Term Care Rate Setting
Division of Finance and Rate Setting
Office of Health Insurance Programs
