Dear Administrator:

This letter is to inform you of the funds being disbursed with respect to a one time increase in Assisted Living Program provider funding.

The SFY 2024-25 Enacted Budget included a \$15 million gross increase to Assisted Living Program (ALP) providers. This increase is being distributed as a lump sum payment that has been calculated on a per diem basis, and this payment is the issuance of the Federal share component. The State share was previously distributed. Payments were calculated as follows:

- The total available amount of the increase was divided by the total billed Medicaid days for Calendar Year (CY) 2022. The result equates to \$4.22 per day.
- Each ALP provider receives a lump sum in the amount of \$4.22 multiplied by their CY 2022 billed Medicaid days.
- This current Federal share payment accounts for 50% of each provider's full gross lump sum amount.

If a provider has multiple service units operating under the same MMIS ID, the payment values were combined into a single payment for each MMIS ID. The processing of this payment will take effect in cycle 2478 with a check release date of March 5, 2025.

Please note that any existing balance due to the Department will be recouped from this payment and applied to the balance. You will only receive payment for the amount that exceeds the liability balance.

Should you have any questions regarding these payments and liabilities, please email bimamail@health.ny.gov. For questions regarding the one-time payment please email NFRates@health.ny.gov.

Sincerely,

A handwritten signature in black ink that reads "Laura Rosenthal".
